

Ameren Missouri Heating and Cooling Program

Participating Contractor Badging Key

About Ameren Missouri Participating Contractors*

The Ameren Missouri Heating and Cooling program helps you find contractors that are active and familiar with the residential energy efficiency HVAC programs offered by Ameren Missouri.

Badge rankings are based on how contractors perform specifically within the Ameren Missouri Heating and Cooling program. Performance is determined by a number of metrics, all tracked to make sure customers receive accurate rebate checks as soon as possible, including:

- Amount of time it takes to submit rebate applications. This helps ensure that customers receive rebate checks in a timely manner.
- Application quality. Error-free applications also help ensure that customers receive rebate checks in a timely manner.
- Number of applications submitted. This helps identify contractors that are active program participants.

Platinum Level

Platinum Level contractors are top performers in the Ameren Missouri territory, submitting spotless applications within days of installation.

Gold Level

Gold Level contractors are exceptional performers in the Ameren Missouri territory, submitting high-quality applications promptly after installation.

Silver Level

Silver Level contractors submit many projects quarterly in the Ameren Missouri territory and score very highly on the contractor ranking analysis.

Bronze Level

Bronze Level contractors contribute a smaller number of projects quarterly in the Ameren Missouri territory than Gold or Silver Level contractors but score well enough on the contractor ranking analysis.

Contractor rankings are updated quarterly. Search results on each page will be prioritized with higher ranking contractors showing first, based on services requested. Contractor rankings are in no way an endorsement of the work or performance of the contractors you may choose to hire. These rankings should not be used in place of Better Business Bureau reports, overall customer reviews or other third-party input. See program-specific terms and conditions for more details.

*Participating contractors listed without a badge are contractors that have yet to meet the Platinum, Gold, Silver or Bronze Level ranking criteria.
